LESI Society Fact Sheet

Thank you for completing this LES Society Fact Sheet. This information helps us share your annual activities with the LESI Board and the Membership Committee. We have also included additional (optional) data questions as an appendix (while helpful, we appreciate that not all societies might have this data).

SOCIETY ACTIVITIES

Date and Location of Next Annual General Meeting (AGM): TBA

Notable Society Activities / Educational Events during the past year:

(please include the date, purpose and number of attendees)

1) LESM Library

We have listed a collection of books relating to licensing which will be made accessible to members. The list will be uploaded on our website and members will be allowed to borrow these books based on some Ts & Cs. This is due to be up on our website soon.

2) Collaboration with WIPO Singapore

We had organised a talk in collaboration with WIPO twice in 2019. However, it had to be cancelled the first time due to poor response and the second time due to the speaker's cancellation. We hope to reorganize the talk this year in the form of a webinar.

3) Digitization of documents

We have started digitizing all files, records and documents of the society for easy online reference. We are in the midst of sorting these documents.

4) Collaboration with local universities (Brickfields Asia college) and the Malaysian Technology Development Corporation

We have approached Brickfields Asia College and the Malaysian Technology Development Corporation for collaboration to organise courses/talks/seminars. We are still working on this and hope to see some progress this year.

Please List Your Professional Committees (e.g., Education, Life Sciences, Transportation):

Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA? If so, please provide a contact for each.

How can LESI or other LES Societies further support you?
