**Actions Plan**

Activities and initiatives	In charge & comments	Status 06/05/2020
<p><b>1- Strengthen the Committee organization</b>            1.1- Renew the Committee working team and build a true Committee membership</p> <p>1.2- Liaise with other relevant LESI Committees</p>		<p>Claudia Tapia has joined the board            Madelein and Patrick as co-chair starting May 2020</p> <p>The member of the board committee are developing their own action plans for their domain.</p>

<p>to plan common actions (Regional Committees (European, America, Asia, Africa); High Tech, Life sciences, copyright, YMC)</p> <p><b>2- Confirm LESI as a recognized international expert</b></p> <p>2.1- Pursue the active participation in the ISO standard making on innovation management and IP management</p> <p>2.2- Contribute to and promote Les Nouvelles.</p> <p>2.3- Organize PTL workshops in LES meeting</p> <p>2.4- Pursue and multiply the working groups with industrial firms on patent licensing and technology transfer</p> <p>2.5- Organize a “Kids IP Day” for the 30<sup>th</sup> anniversary of the UN Convention on the Rights of the Child (20<sup>th</sup> November)</p>	<ul style="list-style-type: none"> <li>• Cooperation with regional LES to be initiated: <ul style="list-style-type: none"> <li>- Africa: Madelein Kleyn</li> <li>- Asia: Qinghong Xu</li> <li>- North America: Mihaela Bojin</li> <li>- South America; Candida Ribeiro</li> <li>- Europe: Jennifer Pierce</li> </ul> </li> <li>• Cooperation with technical committees; High Tech, copyright, trademark, to be initiated: Mihaela Bojin/Madelein Kleyn in assistance</li> <li>• Cooperation with YMC: Madelein Kleyn with LES SA YMC Committee delegates</li> </ul> <p>Patrick Terroir is the representative of LESI in ISO process. He collects the comments of LES regional societies.</p> <p>The special issue on “Knowledge transfer and IP” organized by the Committee has been published in July-August. Board members to take initiatives to use this issue on regional level. To identify new key topics.</p> <p>For the Berlin conference the Committee had proposed 5 topics. Two have been retained: "Open science and protection of IP: are they compatible?" and “The new challenge of knowledge transfer between public research and industry”.</p> <p>To organize with national societies working groups with industrial firms (topics and tools).</p>	<p>Mihaela has established a liaison with the Copyright Licensing Committee – Johan and George Trademarks, Designs, and Merchandising Committee – Charmaine and Stefan and Young Members Congress – Stacey Dunn (Vincent Bergeron will be our contact).</p> <p>Qinghong Xu has been contacting LES local divisions in China, Japan, and Korea and discuss possible collaborations. Project to help to draft a handbook of licencing practice for small enterprises. with LES Singapore (suspended).</p> <p>The next working meeting of ISO on Innovation management will be virtual (11-15 May 2020) Patrick has prepared and collected the comments of LESI on the last document on IP management which enter its last phase.</p> <p>Madelein is contributing to the special issue of June edition with the EPO Jennifer Pierce is preparing a special issue for 2021 on trade secret in the world (outside Europe). The contributing authors are being identified.</p> <p>After the cancellation of the conference, the planned speakers of the workshops agree to participate to a webinar– awaiting LESI confirmation.</p> <p>To be initiated (Claudia?) and to see if we could have our LES TT activities accredited for RTTP recognition.</p> <p>This project has been agreed by LESI board. Targeted</p>
--	---	---

<p><b>3- Provide tools and services to LESI members</b></p> <p>3.1-Explore the needs of LESI members for LESI tools in the licensing domain</p> <p>3.2-Create an open library of IP licensing agreements in collaboration with international organizations.</p>	<p>Draft materials for presentation have been collected</p> <p>Target is high-level as they are already many materials available. A dashboard of available tools with assessment of usefulness, cost and links for direct access is considered. Approach the LESI members to ascertain their needs. This could be in the form of a questionnaire</p> <p>Collaboration with organisations like AUTM and INTA Explore a platform for hosting an integrated agreement library focussed on IP licensing that is free to our members who contribute sources to the platform</p>	<p>for launching on World IP Day 2021.</p> <p>LESI board has agreed to providing access to a number of resources for LES members, namely creating a “toolkit” or “tools for LESI members ” areas on LESI website.</p> <p>The PTL committee, in collaboration with other committees (LIT especially) will provide materials on sophisticated IP tools that our industry needs; for example about the digital economy (IoT, AI, blockchain...), the way to deal with SEP, etc.</p> <p>We have been informed that AIPLA and LESI are going to build a closer collaboration. .</p> <p>To start after the IDM</p>
