## SOCIETY ACTIVITIES

---

**Date and Location of Next Annual General Meeting (AGM):** An AGM was held on 17 January 2022. Date for next AGM was not set yet.

**Notable Society Activities / Educational Events during the past year:**

*(please include the date, purpose and number of attendees)*

We avoided face to face activities due to COVID-19. However, we strongly recommended our members to take advantage of LESI's online events, as well as online events that were organized by other LES Societies. In an attempt to encourage our members to participate in such online events, we paid for them the admission fees, to the extent this was applicable.

**Please List Your Professional Committees** (e.g., Education, Life Sciences, Transportation):

N/A

**Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA?** If so, please provide a contact for each.

LES Israel barely has young members. Thus, we currently do not have plans for YMC.

LES Israel is interested in becoming involved in WILA. Please contact Dalit Sagiv in this matter ([dalit@sagiv.law](mailto:dalit@sagiv.law))

**How can LESI or other LES Societies further support you?**

It would be great if LESI and LES Societies worldwide will continue to share educational contents and enable our members to participate online in their seminars, at no cost (or at a significantly reduced rate for group registration).

Also, as outlined in our previous reports, LESI can assist by:

- (i) Encouraging keynote speakers to arrive to Israel and lecture at LES Israel meetings;
- (ii) Sponsoring certain activities in Israel such as conferences and courses (e.g.: international/regional conferences, "Train the Trainer" program, licensing courses), etc.
- (iii) Increasing awareness to LES Israel, including by way of holding LESI International and/or regional meetings like LESI Winter Planning, LESI International/regional Annual Meeting, LESI IMDM in Israel (when we return to face to face meetings).
- (iv) We took upon ourselves to host a non-virtual Pan-European conference in 2023 (hoping our plans will not be jeopardized by COVID-19).

Any suggestions and assistance we can get will be appreciated.

Report completed by: Hananel Kvatinsky & Dalit Sagiv      Date: April 11, 2022
