Notable Society Activities / Educational Events during the past year:

(please include the date, purpose and number of attendees)

In August 2021, LESC-HK organized a very enjoyable get-together dinner for our members and non-members. The dinner was happily attended by over 30 attendees, all thrilled to be catching up with familiar faces as well as making new friends. The dinner event took place at a lively Japanese-Mexican fusion restaurant, serving popular dishes, frozen margaritas, fine mezcal and tequilas.

On 2 December 2021, LESC-HK successfully co-organized a session with the Law Society of Hong Kong and the Hong Kong Bar Association at the Business of IP Asia Forum 2021 (jointly organized by the HKSAR Government, Hong Kong Trade Development Council and Hong Kong Design Centre), on the topic of “Cross-border IP Licensing in Greater Bay Area: Opportunities and Challenges”. The session was joined by other distinguished speakers from the legal and commercial sectors. The Business IP Asia Forum has, as in past years, been a great success which attracted over 10,000 IP professionals and industry leaders attending.

Young Members Congress

Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA? If so, please provide a contact for each.

We have a Young Members Congress.

We'd certainly be interested in becoming more involved in WILA (please contact our President rosita.li@ellalan.com).

How can LESI or other LES Societies further support you?

The many webinars organized and held by LESI and different LES Societies around the world in the past year help broaden the licensing knowledge of our members in all respect, and provide invaluable opportunities for all of us to gather and network online despite the pandemic.
