2023 LES Society Fact Sheet

Thank you for providing us with an updated LES Society Fact Sheet. This information helps us share your annual activities with the LESI Board and the Membership Committee. We have also asked for (optional) data on your members (while helpful, we appreciate that not all societies might have this data).

How can LESI or other LES Societies further support you?

LES Chinese Taipei has considered various options to increase our membership. In our view, adding a new category of "corporate" or "group" membership will be very helpful in this effort. However, the current rules of LESI do not permit such category, so we recommend that the relevant rules be changed to allow such category. The unavailability of such category is a major obstacle to growing membership in LES Chinese Taipei.
