She completed my “Heal Your Life” teacher training and “Heal Your Life” coach training in Singapore under the guidance of Dr Patricia Crane and Rick Nichols.

In the tapestry of life, opportunities often knock softly, inviting us to open the door to new possibilities. Embracing change and growth begins with a fundamental act: learning to love yourself. In the hustle and bustle of daily life, it's easy to overlook the simple yet profound ways to nurture self-love.

Self-love is not just about pampering oneself; it's a journey of self-discovery and acceptance. It involves acknowledging your strengths and weaknesses, celebrating victories, and learning from challenges. As you open the door to self-love, you uncover a reservoir of strength and resilience within. Ms Bajpai guided us in this amazing journey with her insightful

thoughts and wonderful presentation. We had around 40 plus participants.

• **LES WEBINAR ON 11TH DEC 2023 - THE EVOLVING SEP JURISPRUDENCE**

"LES India" and the "LES-Patent and Technology Licensing Committee" jointly presented a webinar on "The evolving SEP Jurisprudence (with a Special focus on India)" which will be a panel discussion of eminent SEP experts on the 11th of December 2023 at 17:00 - 18:30 Hrs. PM, India time.

Recently there have been a few important SEP rulings in India in 2023

e.g.

- Nokia vs. Oppo- Delhi High Court and Supreme Court orders
- Ericsson vs. Intex – Delhi High Court, Ericsson vs CCI

The panel discussion covered aspects of these orders and discussions about their interpretations and significance. These cases have significant observations recorded in the Judgements and directions by the Judges that are likely to have an impact on SEP jurisprudence in India at least for the foreseeable future. Important developments in other jurisdictions such as the EU were also covered in the conference.

We had around 50 participants and received very positive feedback from the audience.
